Re: U.S. v. Raul Suriel
22 Cr. 254 (JMF)

February 14, 2023

Dear Judge Furman:

On behalf of the defendant, Raul Suriel, and with the government's consent, we respectfully request a 5-6 week adjournment of the status conference presently scheduled for Wednesday, February 15, 2023. This case relates to a violation of the conditions of Mr. Suriel's supervised release.

We make this request because at the moment we have nothing to report to the Court as to the status of Mr. Suriel's open cases. We do however expect to be in a position to provide a meaningful update within the above-requested time period.

Accordingly, we'd request that the Case be adjourned as requested above, to the week of March 20th, 2023, or to a date thereafter convenient to the Court.

Respectfully,

Barry Zone
